Please offer your best description of your wonderful space that you would like to show off to the visitors that will walk your garden. This is what will be written on the Facebook page for the event. If you are having difficulty with coming up with something, don't hesitate to call Julie to help you with the words! Keep your description around 50 words or less. If you would like to, print it out in a word document and include it in your envelope. Also please send Julie two photos of your garden, current or past seasons, text or email for the post.
